Part V Line 4 The Community Foundation helps individuals, families and businesses find the

 best way to make charitable gifts that support causes or organizations they care about.

The goal is to develop a charitable giving strategy that fulfills their personal

 objectives and makes the most sense financially. The Foundation makes grants from the

 endowment funds in support of its mission to promote philanthropy and improve the quality

 of life for the residents of Berks County.

Part X Line 2 The Foundation accounts for uncertain tax positions in accordance with the

 "Income Taxes" Topic ASC 740, formerly issued as FASB Interpretation No.48, "Accounting

 for Uncertainty in Income Taxes - An Interpretation of FASB 109". ASC 740 prescribes a

 recognition threshold and measurement attribute for financial statements recognition and

 measurement of a tax position taken or expected to be taken in a tax return and also

 provides guidance on various matters such as derecognition, interest, penalties and

 disclosures required. The Foundation recognizes interest and penalties, if any, related to

Part I The Foundation maintains a fund known as the Metropolitan Edison Company

Sustainable Energy Fund. Metropolitan Edison Company, a "First Energy Company" was a party

in restructuring proceedings overseen and approved by the Pennsylvania Public Utilities

Commission (PUC). A portion of the proceeds from this settlement were used to establish

this fund. The Foundation does not believe the fund meets the criteria of a donor advised

fund. The fund is governed by PUC-approved bylaws that require an advisory board of no

fewer than seven and no more than nine members, which must include one member from each of

the seven groups with interests and expertise in sustainable energy, including one

representative of First Energy. The remaining positions may be filled with representatives

of Pennsylvania ratepayers and stakeholders interested in Pennsylvania's electric

industry. Nomination and election procedures are pursuant to order of the PUC and may be

amended only by further order of the PUC. Pursuant to these procedures, the Foundation

controls selection of members, within the parameters approved by the PUC. It is the

Foundation's understanding that First Energy's one position on the seven to nine member

board is a result of the PUC-approved settlement and is based on industry expertise, as is

the case with all other advisory boards.

Form 990, Part VI, Line 11b: The Foundation's Audit Committee's primary function is to assist

the Board in fulfilling its oversight responsibilities relating to monitoring the quality,

reliability and integrity of the external financial reporting process. This includes the

audited financial statements as well as the IRS Form 990. The Audit Committee reviews both

documents and will make a recommendation to the Board for approval. The Board is provided

copies of the consolidated financial statements and Form 990 for review before approval.

Form 990, Part VI, Line 12c: Annually all board members, committee members, and staff are

required to complete a conflict of interest form. Completed forms are submitted to the

Governance Committee. One of the Governance Committee's roles is to annually review the

conflict of interest forms submitted and make any necessary disclosures if a conflict is

noted.

Form 990, Part VI, Line 15a: The compensation of the President of the Community Foundation is

reviewed and recommended annually by the Executive Committee of the Board. The committee meets

in executive session without staff present. They review the established performance objectives

and results of the President. In addition, the committee reviews industry compensation data

from Forms 990 of peer group entities. It also reviews comparable local data provided

periodically by a regional human resources consulting firm. After reviewing that material, the

Executive Committee establishes a compensation level that is designed to recognize current

market conditions and performance in the position. This information is then reviewed in

executive session with the board, which votes upon compensation.

Form 990, Part VI, Line 19: The Foundation has an open book policy of disclosure of

information to the public. All board members, committee members and staff are aware of the

Foundation's conflict of interest policy as they are required to annually read the policy and

complete a questionnaire as to any conflicts they may have. These forms are reviewed by the

Foundation's Governance Committee and, if necessary, disclosure of any noted conflict is made

to the board, committee, staff and disclosed in the Foundation's audited financial statements.
